UPFIT GUIDE

HELPING MOBILE TECHNICIANS WORK MORE EFFECTIVELY BY PROVIDING ORGANIZED STORAGE SOLUTIONS

AT RANGER DESIGN, WE BELIEVE MORE IS POSSIBLE.

We believe work vehicles and the technicians that drive them can become more organized, more efficient, more productive and more profitable. At Ranger Design we're committed to bringing you the products and services that make that possible.

More means helping you choose the right work van for your application, as well as giving you engineering support and expert advice to help design the most efficient work space in your new vehicle.

More also means getting that new van outfitted and on the road faster, so you can start using it for the reason you bought it.

We're committed to bringing you more, because we believe more is possible.

Over 350 Distributors Across the Continent

Buy Ranger Design Quickship service is available through your local distributor. rangerdesign.com/find-dealer

Lead Time Quickship orders placed with Ranger Design before 1PM EST, will ship from our factory in the next business day.

All products shown in this upfit guide are available on Quickship

HOW TO USE THE LAYOUT GUIDE

INSIDE ROOF HEIGHT

To determine the maximum shelf height that can be used in the van.

PARTITION DEPTH

This indicates the space taken up by our partition for this vehicle. Please note that this measurement is determined by the partition that encroaches the most. Some partitions may take up less space. Take note that this measurement may not necessarily be on the floor.

DOOR OPENING

To determine where shelving will land in relation to the door opening. Use this measurement to determine the space available for drawer units.

DIMENSIONS IN RED

These dimensions indicate unique measurements for each wheelbase. Use red dimensions to determine the exact wheelbase of your van.

FLOOR SPACE

This area is usable floor space but due to curvature of the van there may not be the same available area at the roof. Please measure actual van for specific measurement at roof.

YOUR PERSONAL **FLEX SPACE**

Our fold-away shelves are designed to give you the ultimate in cargo flexibility

- Flexible
- Easy to use
- Tough

THE BENEFITS OF **ALUMINUM**

Weight saving equipment reduces total cost of ownership

Optimize fuel economy by decreasing overall van mass

Reduce vehicle maintenance and repairs caused by weight overload

Increase payload without sacrificing quality – it's a benefit offered only by aluminum

**Did you know that for every 100 lbs reduction,
you increase fuel economy by 1%?**
